'SAYING GOODBYE' – CREATIVE DISPLAY

Last chance to add to the creative display!

You can contribute in the following way:

1. Write a St. Peter's memory or memories on the card available at the back of the church.
2. Bring it to church by the beginning of May.
3. If you have any drawings or photographs of St. Peter's memories, please bring those in also by the beginning of May.
4. If you have any questions, feel free to email 'curator' Pippa Brady: pippabrady@gmail.com

NAME SURVEY

Due to technical problems, some St Peterites did not receive the name survey link. If you did not receive it, please email the church office by Monday to ask for the link: admin@stpetersvmr.org.

MERGED SERVICE TIME

The joint Corporations of St Peter's and St Mark's have settled on our future service time for Sunday services: as of June 2, our services will be **10:30am**. So this will be not only for our summer service time (as every summer) but will continue to be our service time in the Fall/Winter as well.

WED. MAY 15 - ST MARK'S COFFEE PARTY

St Mark's Anglican Church Women's Association invites St Peterites to their annual Coffee party, 10am-12pm in the hall. This will include a bake table, book table, and treasure table.

SAT. MAY 25 – PARENT'S NIGHT OUT

We would like to try to hold one last PNO on Saturday, May 25th from 4:30-7:30. We believe it would be a thoughtful way for the kids to say good-bye to our current space at St. Peter's, and to celebrate a new beginning at St. Mark's. If interested, please RSVP: di.keener@me.com by May 19.

SUN. MAY 26 – OUR FINAL SUNDAY

Chris and the ministry team are planning our closing service. This will include taking a group photograph of all who are present on May 28. Digital copies will be made available with future editions of the Pulse.

WED, MAY 29 – MOVING HELP NEEDED!

On Wednesday, 29 May, from 5:30pm onward, we need help moving 200 chairs plus music equipment over to St Mark's for our first Sunday there on June 2. We will rent a truck for this move. Pizza will be served. If you can help, please put our name on the sign-up sheet at the back. (A second moving day, for other items, will follow at a later date in June). This first move is on a weekday evening because we will need several days to finish and test various elements of the set-up in St Mark's.

REFRESHMENTS

After about a decade of dedicated service co-ordinating our refreshments team, Voa has decided it is time to hand on this ministry to a new co-ordinator. At the same time, Voa's equivalent at St Mark's has made the same decision. So as we move into St Mark's, we have a significant need for a co-ordinator for this very important ministry. If you might be interested in using your gifts for the new congregation community in this way, please contact Chris or June.

MEALS FOR NEW PARENTS:

Something we like to try to do at St. Peter's is provide some meals for our new parents. We are looking for 2 meals a week over the next few weeks for Sarah and Alex and Angela and John. Would you think and pray about how you could help with this? Please contact Di Keener at di.keener@me.com if you are interested.

PRAYERS

Prayers for our future.

- Give thanks for the strength and wisdom that the Lord has given to the leadership of the two congregations as we approach the actual union
- For the way in which the diocese has made it financially possible to begin some of the necessary renovations.
- As the legal merger and the commencement of regular joint worship services rapidly approaches, pray that each of us will be ready to:
 - Ask God to fill us with his love for the many people that we don't yet know -- "We love because He first loved us" (1 John 4:19).
 - Listen for the way in which God is going to do a new thing among us individually and as a merged congregation (Isaiah 43:19, Philippians 3:13, 14).
- Continue to pray for the details of the merger and the renovations (Colossians 4:2).
